Author : Jotwell

Date : November 30, 2012

Today we inaugurate a new Jotwell section on Health Law, edited by Associate Dean Kathleen Boozang of Seton Hall Law and Professor Elizabeth Weeks Leonard of The University of Georgia School of Law. Together they have recruited a stellar team of Contributing Editors.

The first posting in the Health Law section is Can the Power of the FDA Be Reprised? by Kathleen Boozang.

Please note our Call For Papers, and get in touch if you have suggestions for a new section, or if you have a review you would like to contribute to Jotwell.
