

Jotwell Winter Break 2020

Author : A. Michael Froomkin

Date : December 21, 2020

Jotwell will be taking a short Winter break. Jotting should resume on Monday, Jan 4, 2021.

This has been a uniquely difficult year for everyone. I and the Jotwell Student Editors — Claire Chatellier, Bridget Dye, and Allison M Paquin — all wish our readers a happier 2021.

Jotwell carries no advertising, so we would very much appreciate it if you could [make a small holiday donation](#). The [University of Miami School of Law](#) is Jotwell's host and main supporter, but having tangible signs that our readers value us is important. Even a few dollars, or the equivalent in your currency, can matter a great deal.

Thank you for reading, and for your support.
